

## ELEMENTARY SCHOOL

### *2012-2013 School Picture Make Up Day!*

Dear parents,

Elementary School Picture Make Up Day will be on **Thursday, March 14th**. All elementary students take an individual picture which will be used in the 2012-13 KIS elementary school yearbook. Your child's picture was not taken in the fall either because your child is a new student or was absent during School Picture Week. We will be taking your child's photo during school hours on March 14th, which will be arranged with his/her teacher according to class schedule. Please dress your child appropriately on this day. There will be no more make up sessions, so please try and make sure your child is not absent on this day.

A photo package of your child's school photo is also available for purchase for new students. If your child was absent for the first picture day, you have paid for a package and do not need to pay again.

**Fee:** 25,000 won per student for the basic package.

#### **The Package Includes:**
