Korea International School

HS PTO

2015-2016 Membership Drive

The mission of the HS PTO is to enhance the KIS community and to support the student, faculty and parents. The PTO achieves this goal through annually-selected activities chosen by the Organization and support by parents volunteers.

The PTO actively raises funds to assist students in different projects such as athletic tournaments, school socials and other events too. The Annual Membership fee (₩ 25,000) is the largest sources of fund for the organization. The PTO would like to invite all parents to join us and help us undertake a wide variety of programs to host every year. Thank you!
