

PTO Meeting Minutes

Opening- By Jessica

- **Financial Report By Ellen (PTO Treasurer)**
- **Summer Program By Mr. Majors:**
 - Special thanks to all the parents and PTO board for the teachers appreciation luncheon. All the teachers were thrilled with it.
 - The desire this summer is to make summer projects more academically in depth by having fewer projects with more technology. Examples this year will include, game coding and app creations. For more info on what the summer projects will be offered, you can contact Mr. Majors directly via email.
 - MIT graduate will work with all students on all levels of the summer program this year.
 - Technology will be balanced by physical activities offsite outdoors as well as utilizing the KIS pool indoors. Adjustments will be made depending on the weather and air quality, but we have access to the lower gym in the event going outdoors is not possible.
 - Session 1 currently has 90 students and Session 2 has 80.
 - Please email Eric Majors at KIS if you would like to enroll or have any questions regarding summer programs.
- **Summer Reading Program By Mrs. Mallon**
 - K-2 and 3-5 print out can be found on the libraries website for recommended summer reads.
 - Mrs. Mallon's full presentation can be found on lib guide on the library's site as well as full databases for kid appropriate sites. Mrs. Kay or Mrs. Mallon can set you up with a username and password if your child doesn't already have one.
 - Second grade and above already has one and it is 1st initial, last name, plus last 2 digits of the year they will graduate. Example: lkim24

Tuesday, May 24, 2016

- **Next Year Authors Yang Suk Cho and Margaret Reed McDonald will visit our school in November and March. The reading lists for summer include several of their books.**
- **School Report By Mr. Peterson:**
- **Thank you to all the teachers and kids for such well behaved students this sports day. Despite all the very hot weather, sports day went off without incident.**
- **Stop by and take a look at some of the amazing art our students have created. Mrs. Bycraft has brought great creativity to our art program this year.**
- **After school clubs went very well this year.**
- **Thanks you to all the event coordinators and chairs for all your hard work.**
- **Time to elect the board for next year. If you are interested in filling in any of the board positions or volunteering to chair an event or be a grade rep please let Mr. Peterson or one of the PTO board know!**
