Greetings to all parents and students! We welcome you to the new school year of 2017-18.

To newcomers and returners alike: welcome to Korea International School!

The Middle School Parent Teacher Organization (MS PTO) serves the school community by hosting and supporting various programs and activities as a way of creating meaningful connections. Thanks to the dedication of hardworking teachers and parents, the PTO is able to provide continued support for the school and strives to be increasingly successful in its goals with each consecutive year. We would like to extend an invitation for all families to join this rapport-based organization. All contributions, from the mere act of joining to volunteering time and effort, help better KIS and its ideals one small step at a time. Many opportunities are present throughout the school year for your consideration; please do not hesitate to ask questions or give comments. Any and all thoughts are greatly appreciated! For further inquiry and suggestions, please contact your grade representatives or mspto@kispto.org.

The mission of the PTO is to enhance the KIS community and to support all students and families for their success in high school. To that end, PTO has been actively engaged in many areas with the help of parent volunteers. PTO supporting events include sports, art show, drama, student clubs, music and much more. For many years, the PTO has made big changes in students' lives. It could not be possible without parents commitment. For sure, parent volunteering is a valuable asset to the school and key to success for your child.

Now, PTO invites all parents to be a part of that goal. Please sign up as a PTO member to communicate, work together for our students, and share all the information from the school. Your time and efforts would be highly appreciated.
